### **Official Results**

Dear Competitors and Supporters,

Thanks for making the 2012 Salerno Law Half Marathon possible. Congratulations to everyone involved in a fun and successful event.

We achieved a new record field of 95 competitors in 2012!

To everyone who made the start line – well done. Special congratulations to those competitors running in their first event. In addition, it was fantastic to see plenty of participants stepping up the distance they ran this year and those setting new personal best times – awesome.

Huge thanks to friends who support and encourage others to enter this event. Thanks to the friends that help with event equipment and logistics. Special mention to my race day volunteers: Noela Hayes, Sarah Lodge, Elena Leslie and Jennifer Courane.

Community sporting events are only possible with the generous support of our sponsors. Please take the opportunity to thank them and support them at every opportunity.

Looking forward to a huge event in 2013, so keep running.

Congratulations,

Glenn Taylor
